

Ride Home / Caregiver Acknowledgement

Patients who receive anesthesia or sedation are required to have a responsible adult accompany them home and stay with them overnight. No patient may drive themselves home after having a procedure with anesthesia or sedation.

Please check the correlating box online to acknowledge that you've read and have made arrangements which meet the above instructions.

Patients who receive local anesthesia without any sedation may drive themselves home.

You will receive a call from a pre-op call nurse after 1PM on the day before your scheduled procedure/surgery Monday – Friday. During the call you will be provided with your arrival time, as well as fasting and medications instructions.

Our Address is:

187 Millburn Avenue
Millburn, NJ 07041
973-671-0555

We are located in the back of the building under the
Short Hills Surgery Center awning.
